

The Complete and Customized Software Solution for Lodges, Guest Ranches, Preserves and Outfitters

Error Message: No object in this control.

You are receiving this error because you have not installed the external control required with Lodge-ical version 7.0 which allows you to view your calendars.

Follow the instructions below:

1. Exit Lodge-ical
2. Click **Start**, click **Programs**, click **Accessories**, click **Command Prompt** (if you are using Windows Vista or Windows7, please follow this instruction instead: Click **Start**, click **Programs**, click **Accessories**, right click **Command Prompt** and select **Run As Administrator**)

You will now be brought to a command prompt that looks similar to this (HP_Administrator below will be replaced with your user name):

```
c:\ Command Prompt
Microsoft Windows XP [Version 5.1.2600]
(C) Copyright 1985-2001 Microsoft Corp.
C:\Documents and Settings\HP_Administrator>
```

3. type **cd c:\Program Files\Lodge-ical** and then press **Enter** (if you are using Windows Vista Home 64-bit version, please follow this instruction instead: . type **cd c:\Program Files (x86)\Lodge-ical** and then press **Enter**)

The Complete and Customized Software Solution for Lodges, Guest Ranches, Preserves and Outfitters

Your window will now look like this:

```
C:\ Command Prompt
Microsoft Windows XP [Version 5.1.2600]
(C) Copyright 1985-2001 Microsoft Corp.
C:\Documents and Settings\HP_Administrator>cd c:\program files\lodge-ical
C:\Program Files\Lodge-ical>
```

4. At the C:\ Program Files\Lodge-ical prompt, type **regsvr32.exe ctschedule.ocx** and press Enter
5. You should receive a message that the control was successfully installed
6. At the prompt type **exit** and press **Enter**
7. Now you are ready to go back into Lodge-ical and start to use the calendars
